

Smart Cash Handling

# MC QC

## Table-Top Coin Counter

MC QC offer precise and quick processing of small volumes of coins at a very cost-effective level. Counterfeit- and foreign-coins are automatically sorted out. Its auto-start feature and the touch-display ensures easy handling and its software features support a very efficient handling of coins in course of cash-reconciliation processes. Innovative materials in industrial quality for coin-disk and coin-path ensure high counting speed but on a low noise level.

### Powerful

The combination of robust construction and high performance technology ensures reliable and durable operation.

### Flexible

Its sophisticated housing concept builds the base for quick and easy adaptation to the master system.

### Sustainable

We take care of less resources in production. Thanks to low energy requirement, high capacities and stable operation our solutions supports the protection of the environment - even during operation.

### Efficient

Innovative features support efficient system use. High availability and low TCO give a great impact.

### Focused

This device focuses on rapid cash inventory settlement at a low-price level and a long product lifecycle.

### Proven

Thanks to our long-term employees our systems and solutions have been successfully maintaining their position on the global market since 1998.

## Features & Options

### Facts

- + Auto start sensor
- + Non sorting
- + 12" touch display
- + Easy access for cleaning

### Counting Technology

- + Counting speed up to 1.200 coins/minute
- + Multi Cash Sensor
- + ECB and Deutsche Bundesbank certified
- + Electromagnetic and capacitive coin detection
- + Matrix-sensor covering coin-characteristics

### Coin Bin Solutions

- + Noise-reducing coin-drawer
- + Capacity 1,75l (~800 x 2€ coins)
- + Removable reject-cup
- + Bag-holder

### Software Interfaces

- + Batch stop levels
- + Memory function
- + Statistics
- + Network-integration via Ethernet-connector

### Spezifikationen

Dimensions: 355 x 320 x 410 mm

Weight: 15 kg

Standard Colour: RAL 7035/7021
